The Dc. states that on account of large programme of tank works & work in connection with Grain-a-more Scheme, it is not only necessary to retain the existing Inspectors in the Chitaldrug Dt to have Inspectors for the remaining 4 Talukas of the Sub-Talukas.

2) The abolishing the Inspectors in the Kolar & Chitaldrug Dists was sanctioned as an experimental measure, as the Deputy Commissioners were responsible to bring the Scheme into Force & have now changed their views & wants to continue the posts for reasons given & this is for consideration

Serial No.

The order abolishing the V.P. Water Law and Kolar Posts V.P.'s in Chitaldrug, and constituting Rev. Inspectors as ex officio V.P. Supers was passed only recently after careful consideration and with the consent of the Deputy Commissioner. It was intended to bring Chitaldrug Dep. Com. Supts & back out of the outs forward campaign against the Guinea worm and a large programme of well work. As a reason for the withdrawal of the Sanitary Inspectors and confining the work on the old Guinea worm work has a special effect & Cork after it and a large programme of well works is now under for the new scheme as a large no of ex officio V.P. Supers (Rev. Supers) will be available & thus after the works as against a small no (only 4) of Sanitary Inspectors.

OFFICE OF THE DEPUTY COMMISSIONER,
CHITALDRUG DISTRICT.

Dated, Chitaldrug, ... 15th ... August 1929

GEN. & REV. SECT. 853 17 AUG. 1929

FROM

C. S. KUPPUSWAMIENGAR, Esq.,
Deputy Commissioner,
Chitaldrug District.

To

D. NARAYANASWAMI IYENGAR, Esq., B.A.,B.L.,
General Secretary to Government,
Bangalore.

Sir,

Adverting to Government Order No. 1041-50 V.P. 45-28-6 dated the 6th instant directing the abolition of the post of Village Panchayet Inspectors in the Districts of Kolar and Chitaldrug. I have the honour to state that there are at present only four Village Panchayet Inspectors working in this District. The Government Order No.L. 6774-92 V.P. 45-28-5 dated 12th April 29 has accorded sanction to the employment of one Panchayet Inspector for each Taluk till the end of 1929-30. As intensive work is taken up in the District and a programme has been drawn up by me, I am inclined to think that the continuance of the Panchayet Inspectors as sanctioned by Government during the year is necessary to achieve the desired results.

Further, I have to bring to the notice of Government that I have a large programme of well works to be carried out in connection with the Guineaworm Control Scheme. For this and other important items of Rural Development work, the services of a whole-time Panchayet Inspector for each taluk is, in my opinion, very necessary I therefore request that I may be permitted to continue the existing Panchayet Inspectors and also to entertain Panchayet Inspectors for the remaining four taluks and the sub taluk.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner.
